

SPRINT 2

LOGIN

A mobile application login screen. At the top is a green status bar with the time '4:09 PM', a clock icon, a gear icon, and network/battery status icons. Below the status bar is a grey header labeled 'Screen1'. The main area is light grey. It contains a yellow rectangular input field with the email 'yogamalinirajendran@gmail.com'. Below it is an orange rectangular input field with the password '12345'. Under the password field are two blue buttons: 'Login' and 'Signup'. At the bottom of the screen is a JSON object representing the login response.

```
{  
  "kind": "identitytoolkit#GetOobConfirmationCodeResponse",  
  "email": "yogamalinirajendran@gmail.com"  
}
```

As a user, I can log into the application by entering username & password.
