

SPRINT 3

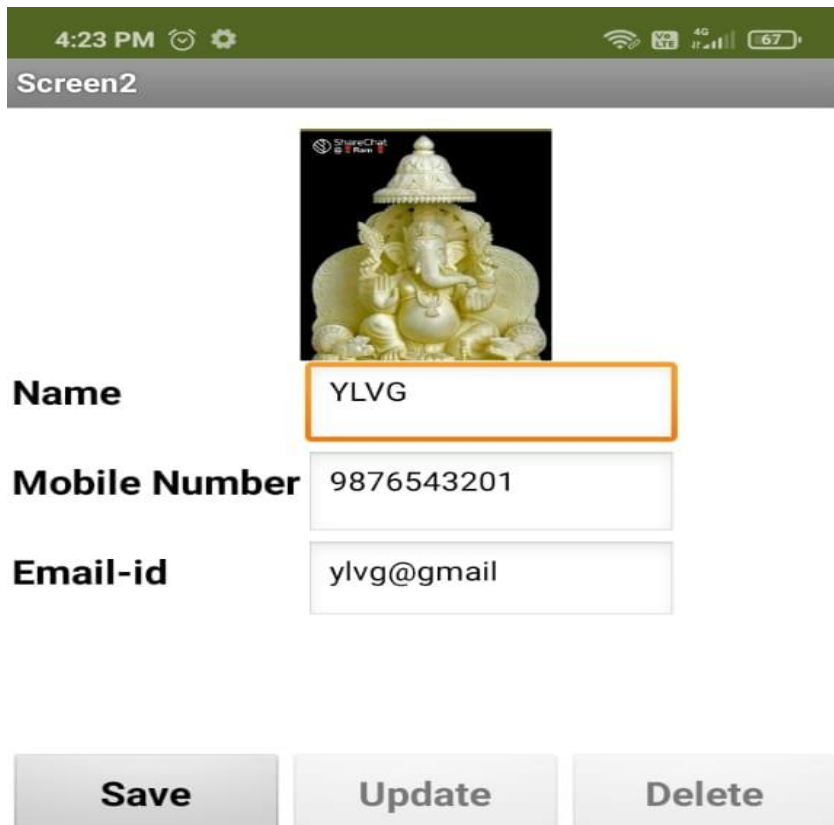

DASHBOARD

In the sprint 3, we can view the dashboard of the application.

In dashboard, we have home, profile, about us and logout options.

A screenshot of a mobile application's profile form. The top status bar shows the time as 4:23 PM, along with icons for a clock, settings, Wi-Fi, 4G LTE, and a battery level of 67%. Below the status bar is a header bar labeled 'Screen2'. The form contains a profile picture of a yellow Ganesha statue. Below the picture are three input fields: 'Name' with the value 'YLVG', 'Mobile Number' with the value '9876543201', and 'Email-id' with the value 'ylvg@gmail.com'. At the bottom of the form are three buttons: 'Save', 'Update', and 'Delete'.

Here, we can save update and delete our personal information.

By using this location tracker, we can monitor the live location of the children.

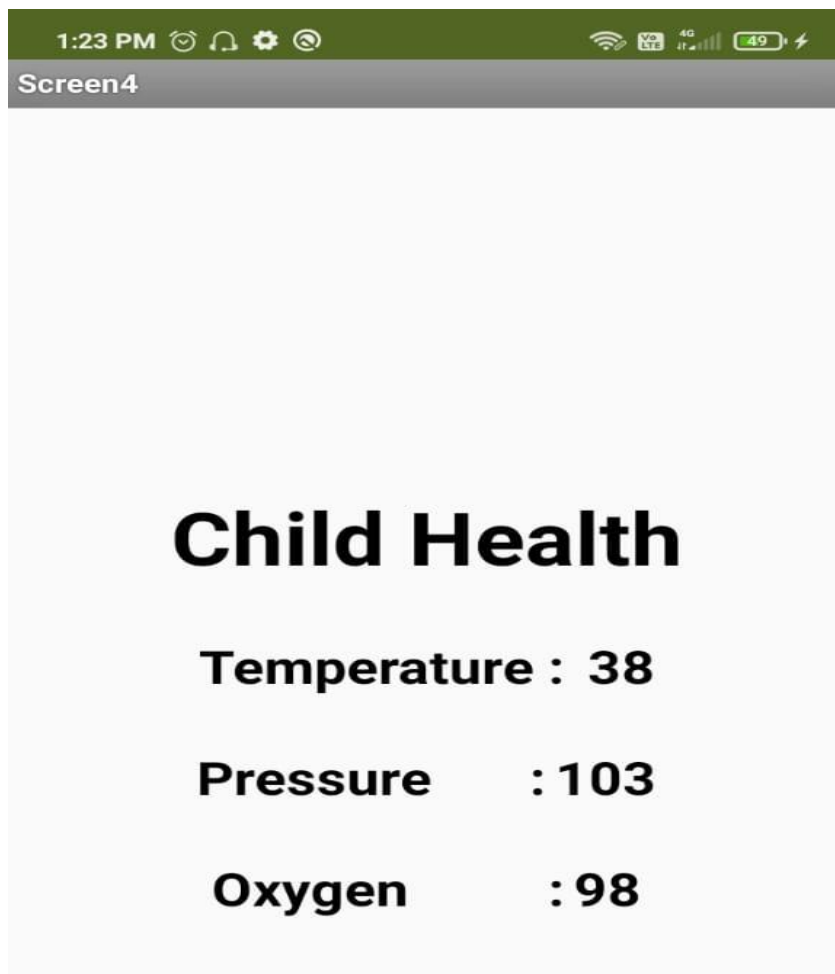

By clicking exit button, we can exit from the child tracker application.

Child Health

Temperature : 64

Pressure : 88

Oxygen : 99

These two are outputs for the Temperature, Oxygen, Pressure of Child Tracker.
